FOR FURTHER INFORMATION CONTACT: Ms. Robin Ehlke, Pacific Council; telephone: (503) 820-2410.

SUPPLEMENTARY INFORMATION: The purpose of the methodology review meeting is to discuss and review proposed changes to analytical methods used in salmon management. Results and recommendations from this methodology review meeting will be presented at the November 14-20, 2017, Council meeting in Costa Mesa, CA where the Council is scheduled to take final action on the proposals. At the September 2017 meeting, the Council adopted one topic for consideration at the methodology review meeting. The topic under review is: *Technical Revision to the Marine Survival Index of the Oregon Coastal Natural Coho Work Group Harvest Matrix*. Public comments during the webinar will be received from attendees at the discretion of the chairs of the STT and SSC- Salmon.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this document and any

issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.
